

## Passing rules

Completion of a series of sculptural works. A passing grade for the completed works. Two assessable sculpture assignments are scheduled per semester. The assignment is preceded by design and conceptual studies.

The assessment will include:

1. conceptual study ( grade scale 2-5.0). The evaluation criteria include: innovation of the solution, emotional value of the work and the developed system of proportions.
2. quality of the completed sculpture (grade scale 2-5.0). Cleanliness of the completed work, sculptor's workshop.
